[How to Create a Personal Vision Statement for Your Life](#)

Think of your personal vision statement as the light shining in the darkness that illuminates your life path.

Write a vision statement as the first step in focusing your life. It can help put things into perspective your joy, your accomplishments, your contribution to the world, your glory, and your legacy.

[Personal Vision Workbook Discovering God's Vision for...](#)

Personal Vision Workbook, Discover what God created you to be and do. God has been leading your entire life, preparing you for your personal vision. We've heard from several people who have discovered their calling: One woman felt called to start working as a child legal advocate. Another woman was able to come to grips with previous abuse and start helping others. Several people changed.
