The Plum Tree book. Read 1,389 reviews from the world's largest community for readers. A deeply moving and masterfully written story of human resilience Read 1,389 reviews from the world's largest community for readers. a book review by Gabriel Constans: The Plum Tree  
The Plum Tree is itself, graciously laced with uncertainty and an air of unknowing what will befall the families and who will or will not survive (physically and/or emotionally). There are portions of this novel that will remind readers of Schindler's List, the difference being that few in this story are saved.
