THE PRAIRIE TRAVELER is chock-full of information about overland travel in the mid-19th century, and covers almost any possible, practical, useful subject related to wilderness travel. Although it is written in 1850's American English, it is actually a fairly easy read with very little "culture shock".

[The Prairie Traveler: A Handbook for Overland Expeditions ...](#)

The first and finest handbook for travelers of the Old American West. First published in 1859, The Prairie Traveler was the indispensable book for looking to follow the American dream, pull up stakes, head into the wilderness of the frontier, and build a new life out West.

[The Prairie Traveler: A Handbook for Overland Expeditions ...](#)

The Prairie Traveler was an intriguing look into the past with all its dangers, struggles, misconceptions, and experiences. It really was interesting reading about life in the 1800's and about how things were done regarding traveling and the way of life back then.
