[Steps of the Research Process - Excerpt](#)

Steps of the research process This is an excerpt from
Applied Research and Evaluation Methods in Recreation
By Diane C. Blankenship. Scientific research involves a
systematic process that focuses on being objective and
gathering a multitude of information for analysis so that
the researcher can come to a conclusion.

[Social Processes: The Meaning, Types, Characteristics of...](#)

The concept of social process refers to some of the general
and recurrent forms that social interaction may take. The
interaction or mutual activity is the essence of social life.
Interaction between individuals and groups occurs in the
form of social process. Social processes refers to forms of
social interaction that occur again and again.
