The Rise and Fall of Early American Magazine Culture - JSTOR

The Rise and Fall of Early American Magazine Culture reexamines these publications and their reach to show how magazine culture was multivocal, as opposed to novel culture, which imposed a one-sided authorial voice and restricted the agency of the reader. In this first book-length study of the history of American magazine culture in the colonial and early national period, Jared

The Rise and Fall of Early American Magazine Culture ...

The Rise and Fall of Early American Magazine Culture reexamines early magazines and their reach to show how magazine culture was multivocal and presented a porous distinction between author and reader, as opposed to novel culture, which imposed a one-sided authorial voice and restricted the agency of the reader.

UI Press | Jared Gardner | The Rise and Fall of Early ...

"The Rise and Fall of Early American Magazine Culture is an ambitious reimagining of magazine culture in the early national period, which largely has been viewed not only as a failure but also as less important and less rich than the so-called golden age of nineteenth-century periodicals.
