Other phenomena, such as laughing in the spirit, prophesying in the spirit and dancing in the spirit, which result from this experience, are also attributed to the Holy Spirit. Many believers blindly accept these phenomena without testing the spirits, despite the danger of spurious satanic imitation in such manifestations.

Quakers Annual Monitor (1847-1848) The spirit of the place has of late revived. The harbour has been improved, and a dock constructed at a great expence, by which means the trade of the port has been increased, and the town extended by many additional buildings. In the town were formerly two churches, that of St. Mary s, which was an handsome building, and its steeple, a good land mark.
