[The Third Coast: When Chicago Built the American Dream ...](#)

A critically acclaimed history of Chicago at mid-century, featuring many of the incredible personalities that shaped American culture. Before air travel overtook trains, nearly every coast-to-coast journey included a stop in Chicago, and this flow of people and commodities made it the crucible for American culture and innovation.

[The Third Coast: When Chicago Built the American Dream](#)

"The Third Coast" is a book that tries to be about all of them at once and thus it isn't really about any of them. The scope of this book is a bit too wide to provide much new information or insight into any of the individual subjects covered here. Still, the subject matter is compelling a
