The Age of Miracles details eleven-year-old Julia's coming of age in a California suburb amidst the decline of the earth. The planet spins slower and slower, leading to gravity sickness, shortages of energy, dead birds, and more. In the middle of the chaos Julia comes to terms with the imperfections of her parents, the pains of an awkward adolescence, and her feelings for Seth Moreno, the boy [The Age Of Miracles Summary and Study Guide | SuperSummary](#)

Published in 2012, Karen Thompson Walker's The Age of Miracles is a bildungsroman science fiction novel. Set in modern-day California, the slowing is the term used to describe the mysterious phenomenon of Earth's rotation gradually decelerating. Humanity must face drastic environmental issues, such as increased days of sunlight, and this serves as the dystopian backdrop to the coming

The Age of Miracles is distinguished by its banality and stereotypical concern, not disfigured by adult philosophy. Simultaneously with the planet's doom, the heroine enters a period of awareness of her gender identity. Sometimes there is a feeling that the devastation of flora and fauna means much less than the problems with the first bra. The author may have tried to demonstrate the
